
FACT BOOK 2019

University of Pittsburgh
Office of Institutional Research

Foreword

The Office of Institutional Research is pleased to present the University of Pittsburgh *Fact Book 2019*. This annually produced book is intended to be a useful source of information about the University of Pittsburgh. The information provided on these pages reflects much of what Institutional Research reports on behalf of the University, throughout the year. The Fact Book includes the most current information available for either an academic or fiscal year, as well as historical information.

Most of the information included in the Fact Book is compiled by Institutional Research from data sources developed by the office to respond to the planning, budgeting, and governmental compliance requirements of the University. If the source of the data presented is different from Institutional Research, the office providing this information is cited. In regards to these offices, Institutional Research is wholeheartedly grateful for the assistance that they have provided. IR's Director, Bob Goga, along with Information and Reporting Analyst, Diane Drazdzinski, while primarily responsible for content and presentation, are also grateful for the valuable support and significant contribution provided by IR Project Director, Rob Rodgers.

We hope that you find the Fact Book useful and informative. We encourage your comments and suggestions on how to improve future editions.

GENERAL INFORMATION

MISSION STATEMENT

The University of Pittsburgh, founded in 1787, is one of the oldest institutions of higher education in the United States. As one of the nation's distinguished comprehensive universities, the resources of the University constitute an invaluable asset for the intellectual, economic, and social enrichment of Pennsylvania, while the international prestige of the University enhances the image of Pennsylvania throughout the world.

The University's mission is to:

- provide high-quality undergraduate programs in the arts and sciences and professional fields, with emphasis upon those of special benefit to the citizens of Pennsylvania;
- offer superior graduate programs in the arts and sciences and the professions that respond to the needs of Pennsylvania, as well as to the broader needs of the nation and the world;
- engage in research, artistic, and scholarly activities that advance learning through the extension of the frontiers of knowledge and creative endeavor;
- cooperate with industrial and governmental institutions to transfer knowledge in science, technology, and health care;
- offer continuing education programs adapted to the personal enrichment, professional upgrading, and career advancement interests and needs of adult Pennsylvanians; and
- make available to local communities and public agencies the expertise of the University in ways that are consistent with the primary teaching and research functions and contribute to social, intellectual, and economic development in the Commonwealth, the nation, and the world.

The trustees, faculty, staff, students, and administration of the University are dedicated to accomplishing this mission, to which they pledge their individual and collective efforts, determined that the University shall continue to be counted among the prominent institutions of higher education throughout the world.

GUIDE TO FACT BOOK DEFINITIONS

For the most part, universities share in the terminology used to describe enrollment, employment, and indeed, all other facets of a university's activities. However, there are nuances that are peculiar to each. The definitions that are presented here reflect the taxonomy used by the University of Pittsburgh, and as such are referenced here in the *Fact Book*.

Academic Rank

A categorization which includes: Professor, Associate Professor, Assistant Professor, Instructor, Lecturer, and Other, with that last category used for faculty who are Librarians, Scholars, and Teachers.

Academic Year

This is the year that begins on September 1 and then ends on August 31. Comprising this twelve-month period is the Fall Term, which runs from late August to December; the Spring Term, which runs from January to April; and the Summer Term, which runs from May to August. Summer Sessions run concurrently with the Summer Term.

Campus

This is one of the five geographic locations of the University of Pittsburgh. In addition to the Pittsburgh Campus, the regional campuses of the University are located in: Johnstown, Greensburg, Titusville, and Bradford.

Certificate Category

Certificate programs are categorized respective to the academic level of the program. As such, they are referred to either as an Undergraduate Certificate or as a Graduate Certificate.

Certificate Program

An academic program whose completion is recognized by conferring upon the student an award referred to as a certificate.

Degree Category

A degree classification which includes: Associate, Baccalaureate, Master's, Doctorate-Research/Scholarship, and Doctorate-Professional Practice.

Degree Program

An academic program whose completion is recognized by conferring upon the student an award referred to as a degree.

Degree Type

A specific degree within a degree category, for example: BA, MA, PhD, MD, and so on.

Fiscal Year

The year begins on July 1 and then ends on June 30.

Full-Time Equivalent (FTE) Enrollment

A calculated number derived by adding the number of full-time students to 40 percent of the number of part-time students.

GUIDE TO FACT BOOK DEFINITIONS (continued)

Instructional Faculty

University faculty associated with teaching activities, as defined by the American Association of University Professors.

Level

Graduate Students

Those students enrolled in programs leading to a graduate degree or certificate. Also included are those students who are enrolled for graduate coursework but who are not seeking a graduate degree or certificate.

Graduate Students (continued)

Doctoral students are enrolled in programs that are classified as follows:

Doctorate-Professional Practice

These degree programs are the professional degree programs of the School of Medicine (MD), the School of Dental Medicine (DMD), the School of Pharmacy (PharmD), the School of Law (JD), the School of Nursing (DNP), the School of Health and Rehabilitation Sciences (AUD, DPT, CSCD), and the School of Education (EdD – approved in June 2014).

Doctorate-Research/Scholarship

Degree programs in this classification are all doctoral degree programs other than those identified as Doctorate-Professional Practice.

Undergraduate Students

Those students enrolled in programs leading to an undergraduate degree or certificate. Also included are students enrolled for undergraduate coursework but who are not seeking an undergraduate degree or certificate.

Postdoctoral Associate

This is a transitional position and is viewed as preparatory for an academic and or research career. Individuals in this classification are considered employees of the University.

Postdoctoral Scholar

This is a transitional position and is viewed as preparatory for an academic and or research career. Individuals in this position are paid from a University grant that prohibits the individual from being considered an employee, or are paid from a grant whose funding source does not permit collection of a fringe rate, or are being paid a stipend by an agency outside the University.

Race

For Faculty and Staff

The U.S. Department of Labor classification wherein an individual's race is reported in terms of the following: Black or African American, American Indian or Alaskan Native, Asian, Native Hawaiian or Other Pacific Islander, Hispanic or Latino, White, and Two or More Races.

For Students

The U. S. Department of Education's classification taxonomy wherein an individual's race is reported in terms of the following: International, Black or African American, American Indian or Alaskan Native, Asian, Native Hawaiian or Other Pacific Islander, Hispanic or Latino, White, and Two or More Races.

GUIDE TO FACT BOOK DEFINITIONS (continued)

Research Associate

This is an appointment that involves substantially full-time research or scholarship, is renewable, and is not viewed as preparation for another position. These Individuals are considered employees of the University.

School

This is an academic unit that is responsible for the administration of the institution's academic programs.

Status

Full-time students

Undergraduate students registered for 12 or more credits in a term. Graduate students and first professional students registered for 9 or more credits in a term.

Part-time students

Undergraduate students registered for fewer than 12 credits in a term. Graduate students and first professional students registered for fewer than 9 credits in a term.

Tenure

A status accorded to those members of the University's faculty who have demonstrated high ability and achievement in their dedication to the growth of human knowledge.

MEMBER INSTITUTIONS OF THE ASSOCIATION OF AMERICAN UNIVERSITIES

The University of Pittsburgh is a member of the Association of American Universities (AAU), a prestigious organization of 62 preeminent doctorate-granting research institutions in the United States and Canada. The University identifies the AAU as an appropriate peer group for statistical and policy comparisons. The following table provides an alphabetical listing of the 36 public and 26 private universities that comprise the membership of the organization. The table also indicates the state or country in which each institution is located (the abbreviation CN denotes the two Canadian schools), along with the year of admission to the AAU.

Notes: In this table, the schools are listed in the same order as is used in presenting student enrollment information in the Student Information section of the *Fact Book*.

The degree and certificate programs listed are those in which students may enroll.

Application to certain programs and the conferring of specific, non-terminal degrees in these programs are contingent upon departmental guidelines. That is, some students in some doctoral programs may wish to conclude their studies with a Master's degree.

The Bachelor of Philosophy degree (BPhil) is offered through the Honors College and is available in all baccalaureate programs. As such, it is enumerated only once in this table. The one exception is the Dietrich School of Arts and Sciences degree program, International and Area Studies, in which the sole baccalaureate awarded is the BPhil.

Offered in addition to those programs listed here are the combined major and numerous dual, joint, and cooperative degree programs.

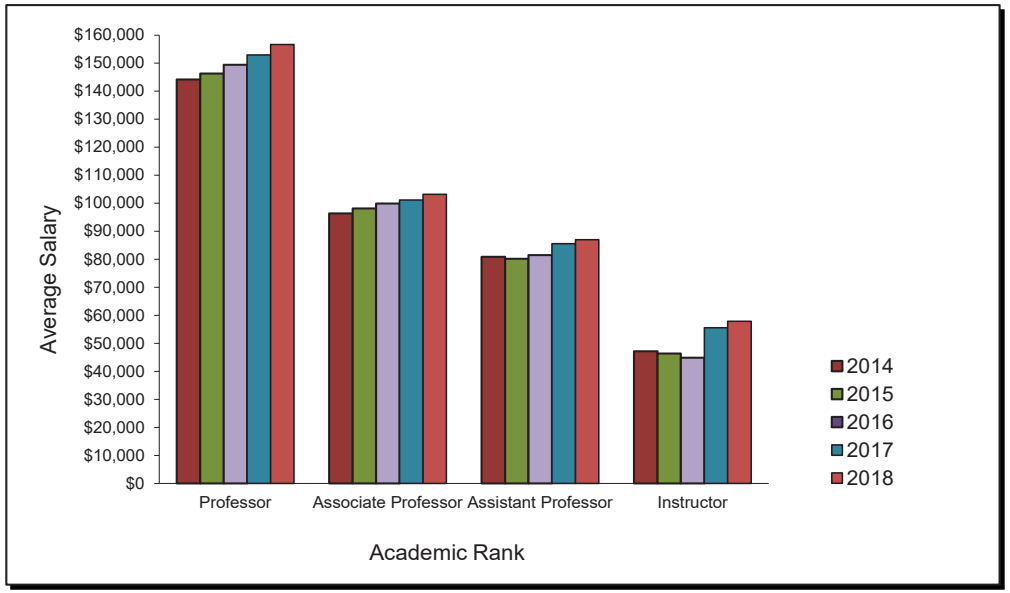
AVERAGE SALARY OF FULL-TIME INSTRUCTIONAL FACULTY BY ACADEMIC RANK, PITTSBURGH CAMPUS — FALL TERM 2014-2018



Fall Term	Professor	Associate Professor	Assistant Professor	Instructor
2014	$144,189	$96,431	$80,915	$47,149
2015	146,278	98,195	80,157	46,341

2018	156,654	103,244	86,974	57,889

Note: The University of Pittsburgh annually reports specifically-defined faculty salaries data to the American Association of University Professors (AAUP) via their *Annual Faculty Compensation Survey*. To be included in this survey, the AAUP takes into account each individual faculty member's instructional effort. Instructional effort, prior to the 2015-16 survey (see Fall Term 2014, above), was narrowly defined in that the faculty member's effort needed to be 50% or more instructional. Beginning with the 2015-16 survey (see Fall Terms 2015 to 2018, above), the criteria has broadened, so as to include a faculty member with any level of instructional effort. In regards to the categorization of faculty, note that beginning with the 2017-18 survey (see Fall Terms 2017 and 2018, above), visiting faculty in the ranks of Professor, Associate Professor, and Assistant Professor are reported as Instructor.
